To issue a warrant.

The probation officer believes that the offender has violated the following condition(s) of supervision:

- 1 **Standard Condition # 5:** The defendant shall work regularly at a lawful occupation unless excused by the probation officer for schooling, training or other acceptable reasons.

 Standard Condition # 6: The defendant shall notify the probation officer at least 10 days prior to any change in residence or employment.

 Special Condition #17: The defendant shall maintain full-time employment or participate in academic or vocational development throughout the term of supervision as deemed appropriate by the probation office.

 Supporting Evidence: On May 2, 2011, this officer contacted the offender's manager at Meineke Car Care Center in Spokane, Washington. The manager informed this officer that Mr. Riding worked his last day on April 28, 2011. He further indicated that Blair Riding was scheduled to work on April 29 and 30, 2011, however, failed to report either day for work. As a result, the employer hired a replacement for the offender on April 30, 2011.
- 2 **Standard Condition # 7:** The defendant shall refrain from excessive use of alcohol and shall not purchase, possess, use, distribute, or administer any controlled substance or any paraphernalia related to any controlled substance, except as prescribed by a physician.

Supporting Evidence: On April 29, 2011, this officer spoke with the offender's uncle. He informed this officer that Blair Riding admitted to him that he had self-medicated with Valium, in order to sleep, as he was having anxiety. In addition, the uncle advised that he found two prescription bottles in the offender's trailer. Both prescriptions were prescribed to an individual by the name of "Cassandra Smith." The uncle further stated that one of the prescriptions was recently filled.

The U.S. Probation Office respectfully recommends the Court issue a warrant for the arrest of the defendant to answer the allegations contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
